The Montauk Skatepark is a Much Beloved Resource

- The current park was designed by skateboard legend **Andy Kessler** and built in 1999
 - Andy Kessler was a pioneer in skateboarding and skate park design
 - Recently has the west side skate park named after him.
- Former Town Councilmen **Len Bernard** and **Pete Hammerle** spearheaded this project in 1999
- Town Bonded \$170,000+ for this project in 1999
- 2011 & 2016 Minor repairs and alterations were performed at the park totaling approximately \$90,000

Town Actions to This Point:

- Skatepark expansion and park re envision was discussed in this location in 2011
- 12.17.2020 Town Setup a dedicated reserve account specifically for the Montauk Skate Park Renovation
- 2.2.2021 Town Board discussion on the potential Montauk Skate Park expansion
- 2.18.21 Town board accepted engineering proposal for the expansion of the Montauk skatepark
- 3.4.2021 Town Board Bonded for \$250,000 for the expansion of the Montauk Skate Park
- Worked in coordination with the Montauk Skate Park Coalition through the design process

Montauk Skate Park Coalition

- In early September, the Montauk Skatepark Coalition officially registered as a nonprofit. The Coalition is pursuing 501(c)3 status with the IRS. This nonprofit will continue to raise money for the skatepark to support upkeep and programming once the renovation is complete.
- On June 12 we held a successful “Skate Day” at the park and an art auction to benefit the project. The two events raised \$95,000.
- Besides the Skate Day on June 12, there were three other formal skateboarding events held at the skatepark over the summer, including a Girls Skate Day led by All Hands Adventures, and two skateboard competitions led by Limitless Culture.
- On September 5, we held our last formal fundraising event to benefit the skatepark at the Surf Lodge. We raised over \$32,000.

Montauk Skate Park Coalition

- We had 220 people donate over \$44,000 through GoFundMe
- We sold over 110 pieces of donated artwork to benefit the park to roughly 70 buyers
- We raised \$200,000 through the sales of merchandise, artwork, and donations through GoFundMe
- Vintage Truck Raffle
- We executed a challenge matching grant that succeeded in soliciting key large donations
- More than 335 unique individuals have donated to this effort
- As of today, we have raised the \$1.3 million needed to proceed with bid solicitation from contractors for the construction phase. This amount includes the \$280,000 allocated by the Town of East Hampton. This \$1.3 million does not include funds for shade structures; seating; or clearing of the hill.

A List of Future Potential Additions at the Park include

- Expanded Skate Park
- Sledding hill
- Solar lights for Stairs
- Shade Pavilion
- Fitness Equipment Area
- Pedestrian Connectivity to:
 - Bathrooms and Playground
 - Montauk Commercial District

Discussion of other Elements of project

Next Steps

1. Town Board support for the final design
2. Complete Final Construction documents for the Skate Park renovation
3. Send plans to NYSHPO through Montauk State Park Representative for Montauk, Tom Dess, for review and Approval
4. Finalize the budget and fundraising
5. Determine Town Board approval for other elements of the Sledding Hill, Shade Pavilion and funding
6. Complete SEQRA
7. Design & Release RFP for construction of skatepark expansion and any other elements
8. Select a qualified construction company for the expansion
9. Start Construction
